

Dr. Alexis Collins and staff are excited to announce that on January 2nd 2023, Collins Children's Dentistry will be relocating to our new home at **1774 Dutch Fork Road**. Our new facility is brand new, has a spacious parking lot, and is conveniently located right off the interstate. You will still see all of the same faces, including Dr. Collins, just at a new building and location. This move will allow us to continue to provide the high quality and personalized dental care that you expect from us.

Thank you for being a part of this exciting phase in our practice! Our name, website, and phone numbers will all remain the same. **Beginning January 2nd 2023, we will no longer see patients at our current location at 392 St. Andrews Road.** If you have any questions, please do not hesitate to call or email us at (803) 772-7302 and office@collinschildrensdentistry.com.

Our new complete address will be:

Collins Children's Dentistry
